Subject: Compliance with the 2015 World Anti-Doping Code

Dear Mr. Azema, dear Dr. Barone,

Thank you very much for submitting a revised copy of the Draft 2015 CMSB Anti-Doping Rules and giving us the opportunity of providing you with our comments.

We confirm that CMSB has successfully incorporated all mandatory articles of the 2015 World Anti-Doping Code into its Rules. This correspondence therefore constitutes your assurance that the 2015 CMSB Draft Rules are in line with the 2015 World Anti-Doping Code.

It is now fundamental that CMSB formally adopts these Rules in order to ensure that they can come into force on 1 January 2015. We would be grateful if you could provide us with a confirmation of the formal adoption and an electronic copy of the version of the Rules which will come into force.

While monitoring the enforcement of the Rules, WADA might suggest amendments based on the practical application of these rules in the future if necessary.

Yours Sincerely,

Emiliano Simonelli
